January -February 2021

In the church we are in the season of Epiphany which is a time of showing forth the presence of God in Jesus. We need to hear this message in these dark times we are living through. Is there anyone you could 'phone who you think might value a chat? There is quite a bit of evidence that people are struggling more in this lockdown than previously. As I write in Mid-January, the situation is that our 6 churches and the others in our area are closed for face –to-face services. This is a difficult decision to make locally and we are carefully monitoring the level of risk, with the plan to open as soon as it is reasonably safe to do so.

This magazine is an invaluable way of communicating, especially during COVID and for those who do not have Internet access even more so. Due largely to advertisers struggling during these tough economic times we have seen a drop in income. If you know of anyone who would like to advertise please put them in touch with Treasurer Gabrielle Spencer. We are very aware that businesses are struggling at this time, but some may find it of help to advertise locally through these pages.

Epiphany will give way to Lent on Ash Wednesday which this year is on 17th February. We will be marking this, possibly with a face-to-face service at Ilmington at 11am, and certainly with an online service at 7.30 pm.

We will also be holding a five week Lent course, encouraging people from the wider Benefice to join with us, whether in Stretton or Preston and the churches in between! So, friends from Ilmington and Tredington are, of course, more than welcome to join, and we are trying to encourage some of the communities that have held back from joining previously to get involved. To sign up, just email and we will send a link for Zoom: revfletcher24@gmail.com. The course will be held on Tuesdays, 10.30am – 11.20am, led by Jean, and this year it has the title 'Hope for a New Day.' Dates: 23rd February, 2nd, 9th, 16th and 23rd March. NB Zoom is easy! If you've not tried it before, this is a good opportunity! All are welcome.

Stephen and Jean

From the Editor

Happy New Year to all our readers. 2020 has been a challenge for every part of society and we can only hope that 2021 will see improvement. The Six Parishes Magazine has not been exempt from the difficulties that we all have had to face. For the first time in four years we must consider increasing our advertising rates and we endorse Stephen Fletcher's request to you to encourage local businesses to advertise. Until last month we managed to publish monthly since the first lockdown and mean to continue to do so until things return to normal. **Help us to carry on.**

Deadline for March issue is **February 13**. Copy to Susan Brock

A Thank You from The Children's Society

The Pandemic has brought untold hardship to numerous children and

young people across our region, from cases of increased domestic violence and abuse, to family loss, mental health issues and food poverty. The Children's Society has been working tirelessly to help, but here in the Shipston Deanery- as across the UK- our popular annual fundraising events were all cancelled last year, and we remain unsure as to when we will be able to resume. But thanks to you, our stalwart supporters, we are delighted to report that our Christmas Appeal has so far raised some **£2,621** in donations!

Meanwhile sales of Children's Society Christmas cards brought in a further **£904-** with £217.25 of that from cards sold at Ilmington Community Shop. Our grateful thanks to Manager Michele and the Shop Committee for their support, and to all of you for your unstinting generosity. Rest assured that the monies raised will directly benefit those who urgently need it at this most testing of times.

Nature Notes

In February the traditional gift for St Valentine's Day is flowers. Flowers used in Victorian times had a language all of their own and were used to convey secret messages to loved ones. So nearly all Victorian homes had, alongside the Bible, guidebooks for deciphering the "language." Both cultivated and wild flowers have meanings, however as this is Nature Notes here are the meanings of some wild flowers. Receiving a wild rose in a bouquet or posy meant pleasure or pain (!), honeysuckle - devoted affection, daisy - I love you truly, poppy - I am not free, apple blossom - I prefer you above all, Yarrow indicated everlasting love. Flowers could be used to answer "yes" or "no" questions. A "yes" answer came in the form of flowers handed over with the right hand; if the left hand was used, the answer was "no."

Here is poem written in 1875 in *The Language of Flowers*

There is a language, little known,
Lovers claim it as their own.
Its symbols smile upon the land,
Wrought by nature's wondrous hand;
And in their silent beauty speak,
Of life and joy, to those who seek
For Love Divine and sunny hours
In the language of the flowers.

PRESTON-ONSTOUR

Preston Village Hall

The Village Hall Committee would like to wish you all a very happy new year and sincerely hope that this year will see the hall open and active again. Covid-19 has caused the cancellation of all our regular village events; which was lucky for the Severn Trent team who filled the carpark with their equipment from November until this week when they left with hardly a trace. The annual quiz will sadly not take place and it is unsure whether May Day will be possible either. Our 2020 May Queen is still awaiting her big day! We will keep you informed of any news and in the meantime keep safe and well.

TREDINGTON

Neighbourhood Plan: The story so far January 2021

Please read and action.

The last time we asked for your views on the Neighbourhood Plan was in November 2019. Assessments on Local Green Spaces and possible Development Sites have been completed and these can be viewed at

www.TredingtonNP.co.uk. The Plan itself is almost complete.

We need to ask you about parts of the Plan so we can finish the job. Please go to: www.TredingtonNP.co.uk where you

will find a link to a questionnaire. If you can, please complete it on line. It asks for your Post Code only. It will be available from 7th February to 7th March 2021. If you cannot access the website and would like a paper copy of the survey questionnaire please contact:

Newbold-on-Stour: Nigel Willis 01789 450460 or email

nigelwillis48@gmail.com

Tredington: Sally Ward 01608 664626 or email olivehill@hotmail.co.uk

Armscote, Blackwell, Darlingscott: Councillor Julie Murphy 01608 682032 or email Blackwellnews@outlook.com

and the form will be delivered to your home. Or you could ask someone to print it off for you.

We will be putting updates and further information on the website and on Facebook periodically. Once the Plan is complete, we enter the formal consultation process, with public meetings if possible.

Sylvia and Karen Davis wish to thank friends and colleagues for their support and good wishes during Pat's illness and our loss of a wonderful husband and father.

Christmas Lights

We have taken so much pleasure and joy this year from our neighbours' festive outdoor lights that we would like to say a 'Big Thank you' to you all. A&E@No8

St Gregory's Church Bells

Thank you to everyone who supported us on Saturday 5th December by visiting our fundraising table set up outside of St Gregory's Church. This time wreaths, bug houses and other goodies were on offer in exchange for donations. The excellent sum of £546 was raised which will go towards the cost of ongoing maintenance to our magnificent church bells, 5 of which date back to the 1600s! Thanks also go to Will Parker, T C Joinery, Glebe Farm, Tredington for his kind donation of timber for the bug house roofs! Well done everyone, your support is once again really appreciated. Thank you very much!

Tredington and Blackwell WI

We have having a zoom meeting on Thursday 11th February at 2.00pm. If you would like to take part please contact our secretary Pat MacPherson on 01608 682102 and she will be happy to help you through! It will be a general meeting to discuss new ideas and how we can use zoom to our full advantage. This is not restricted to members only, if you would like to find out more please ring Pat. Look forward to seeing you then!

Newbold and Tredington C of E Primary School

The school is open to children whose parents are key workers and children who are vulnerable and the nursery is also open. Every child receives daily work through an online platform which is marked by the class teacher and feedback is given. Teachers are available during the day on Seesaw to deal with any queries regarding this work and can offer extra help when needed. The children in school are taught alongside this. Teachers hold several zoom meetings every day with small groups from their class. This allows children

and adults to have a daily routine and to see other familiar faces. This time can be spent teaching new aspects of learning, discussing the days tasks and checking up on how everyone is feeling. Some of our families are using an iPad borrowed from school so that they can access everything that we offer. Wellbeing Wednesday still takes place each week so that children can continue to develop resilience, understand their emotions and deal with their feelings. We have set up a weekly reading book delivery service to support early reading. As always, we are grateful for the support of our families.

Getting the Covid Vaccine? Need a Lift?

The Ilmington Volunteer Support Group is ready to offer you transport to and from the Vaccine Hub at either Wellesbourne or Moreton in Marsh. Even if you are able to drive but are concerned about side effects which might impair your ability to drive home, do get in touch to book a lift. There will be no charge. The only criteria are that you:

- Wear a mask
 - Sit in the back seat where possible
 - Wrap up warm as a window will need to be kept ajar
- Call Nigel Dunn on 01608 682132 or 07717 756676.

Ilmington Community Shop

A Safer Way to Shop and Lots of Ways to Help

Lockdown keeps us busy at Ilmington Community Shop, as we continue to serve local residents with well-stocked shelves and a safer shopping environment. You really don't need to drive to town or the supermarket: we have a fantastic variety of fresh foods and groceries, newspapers and stationery. All with a limit of two customers inside. As many people are shielding right now, including some of our regular volunteers, we need a wider pool of helpers to keep the shop operational. You might like to work behind the till: we have two and three-hour shifts that need filling every week. Or perhaps there's another way you're able to help? There's out-of-hours cleaning to do, there are orders to pick and deliveries to make... Please do call us on 682838 or email Susan Brock on s.brock9@btinternet.com if you have a few hours to spare. Speaking of home deliveries for anyone shielding, don't forget to place your order by 3pm on Monday or Thursday for next-day delivery to Ilmington, Darling-scott or Blackwell. Call 682838 or email orders@ilmingtonshop.co.uk. And if you would like to browse while the shop is closed, please call manager Michele Hall for more information.

February Wednesday Club Cancelled

A very happy, healthy New Year to all our members. It hasn't been a promising start but we know there's light at the end of the tunnel and some of us have already seen that light with a first injection. It's still a time for caution though and that is why our Club remains closed. For

those who have not yet had their vaccination, we are very lucky to have a group of volunteers in the village, headed by Nigel Dunn (682 132) who are willing to take people to the vaccination centres. Just give Nigel a ring and he will arrange it.

January was a very busy month for birthdays. We hope that Bryan Clifford, Christine Wright, Mary Waterman, Genny Walker and Sue Roberts had a lovely lockdown birthday. I know that Bryan Clifford did! For this month, Christine Warmington has a birthday on 11th February and so do David Shell and Genny Walker on 22nd. Hope you all have a lovely day!

Our book sales situated in the cafe each Wednesday have been very successful but unfortunately Covid Lockdown has put a stop to that as it has to our deliveries of cake. Both Thelma and I are keen to continue so as soon as Lockdown is lifted and we can get back to our normal routine. Your appreciation of the Christmas afternoon teas was much appreciated by us both! Thank you for all your lovely comments.

Let's look to the future and think of our reunion one day when we will have a party to remember! Until then, keep smiling and STAY SAFE! Carole Clifford

The Coven

Several of us have now received our anti-Covid vaccine. Very many thanks to the NHS staff that administered it, to the helpers who organised a smooth delivery, and to the wonderful team of volunteer drivers who got us safely there and back. (No, we did not go by broomstick!) Stay safe, sisters.

The New Ilmington Directory 2021-22

Ilmington 2020 committee are busy compiling the new Ilmington Directory, which was delayed last year because of Covid. If you have moved into the village, are building a new property, or simply need to update your details, then please visit the Community Shop, fill in the designated Directory form and pop it in the box. OR call Wendy Lewis Edwards **01608 682049**

Lee Bridges **01608 682327**

We hope that you will want to provide us with your name, house name or number and street, together with either your landline or mobile number. Whilst respecting your privacy, these details are particularly helpful should there be an emergency. But should you prefer your details not to be included, then please let us know. The deadline for ensuring your Directory entry is up to date is **SUNDAY 28 FEBRUARY. Thank You!**
